

XIXTH MONSOON MEETING

**MONSOON
MEETING**

**MORBIDITY
&
MORTALITY**

22-25 AUGUST 2024

VENUE:

TAJ CONVENTION CENTRE, GOA

Dear Colleagues & Friends,

INIF is pleased to announce the Monsoon Meeting.

2024 will mark the 19th edition which will be held in Goa from August 22-25 at the Taj Convention Centre. INIF has been at the forefront of education and interaction in Neurointervention for the last two decades and Monsoon Meeting has been the flagship.

Like every year we are planning a combination of **Case Presentations** of neuro complications along with **MasterSpeak** talks with experience, insights and future direction. Over the years, there have been newer features like the **MM Quiz** last year. This year we will have a short session on **Trials Updates** and **Controversies in Neurointervention**.

It goes without saying that we will have the soothing locales of Goa and vibrant social evenings, after the day's academics.

Like always, we will have open discussions about management in demanding situations & possible ways to avoid & potentially resolve Complications in neurointervention. This meeting is unique in many ways. MM helps open our minds, widens the scope & influences our daily practice of neurointervention.

We cordially invite all the practising Neurointerventionists, young Practitioners and Fellows in training with interest in high end neurointervention.

***Come, get involved.
Join us at the MM in Goa.***

Warm regards,
The India Neuro Interventional Foundation
